### First Grade Teacher Position for 2022-2023 School Year Available at St. Pius Elementary School

St. Pius Elementary School is looking for a First Grade Teacher for the 2022-2023 school year. The 1st grade position will be filled by energetic, engaging teachers who wish to bring the presence of Christ to others through their instruction and interaction with students, their colleagues and the St. Pius community at large.

Applicants must:

- Value the school's commitment to Developmentally Appropriate Practices
- Have an understanding of the social/ emotional needs of young children
- Have a working knowledge of the stages of child development and the implications in the primary classroom
- Be able to provide a loving, nurturing environment for every child
- Be passionate about education
- Thrive on active, hands-on instruction
- Possess eagerness to journey with students academically, spiritually and socially-emotionally.
- Have a growth mindset, collaborative spirit, and the willingness to belong and contribute to a learning, faith-centered community.
- Be certified by the LA Department of Education, or if certified in states outside of Louisiana must meet the criteria of eligibility for Louisiana's Out-Of-State (OS) certificate
- Be experienced in the Google Suite of technology platforms for communication, collaboration and teaching.

Those who join the St. Pius Elementary School faculty are joining a community of educators who commit themselves to providing an education that goes beyond what students know, understand and are able to do as they prepare their students to thrive in today's world. We are seeking teachers committed to continuous growth in their faith lives and educational practices so that they remain relevant in today's world.
